ABOUT PREMIER EXPORTS

Welcome To Premier Exports

About Premier Exports (Private) Limited Established in 2018, Premier Exports (Private) Limited is a leading manufacturer and exporter of high-quality sports accessories based in Lahore, Pakistan. Since our inception, we have been dedicated to delivering premium sports wear and accessories that combine superior craftsmanship, durability, comfort, and performance to meet the evolving needs of customers worldwide. With a modern manufacturing facility and a skilled workforce of professionals, we maintain a production capacity of 800 shirts/day and 7,000 pair of gloves/day (Based on 312 operational days per year with 8 operational hours per day with available machines). Our machinery include High speed Lockstitch Machines, Single Needle Chain Stitch Button sewing machines, Button Holing Machines, Cylinder Bed Interlock Machines. Our products include Sports Wear, Track Suits, Hoody jackets, Winter Jackets, Ski Jackets, Rain Jackets, Sweat Shirts, Men and Women T-shirts, Sports Uniforms, Swim wear, Gloves, Caps, Outdoor wear and Accessories. Our commitment to excellence enables us to serve clients ranging from Distributors and Wholesalers to International brands seeking reliable manufacturing partners. At Premier Exports, quality is not merely a standard—it is the foundation of everything we do. We implement rigorous quality control procedures throughout our production process to ensure that every product meets the highest levels of performance, safety, and reliability. Our dedication to international standards is reflected in our certifications, including ISO 9001:2015, CE Compliance, and REACH Compliance, demonstrating our commitment to quality management, product safety, and environmental responsibility.

SPECIALITY

M-KnitTec[®]

M-KnitTec[®] is fitted with "Magic Knit Technology" that provides extreme comfort and the feeling of next to skin glove. M-KnitTec[®] allows the generation of more versatile, futuristic and comfortable gloves that come together from engineered yarn using various filaments and sustainable fibers.

SNTec[®]

SNT[®] patented Coating Technology comes with 360° breathability, clean, Oeko-Tex 100 certified and is also the thinnest glove in the sporting industry. This helps to convert predominantly cut & sewn gloves into seamless gloves, this in turn allows the glove to be 30% thinner than regular glove while providing superior comfort and long lasting durability.

Green Governance[®]

Green Governance[®] is to make sure that the purchasing products and services cause minimal adverse environmental impacts. It incorporates human health and environmental concerns into the search for high quality products and services at competitive prices for sporting glove.

Res-Stain Tec[®]

Our manufacturing process is Res-StainTec[®], this is the process of Responsible & Sustainable manufacturing process which is supported with; A LEED Platinum Certified plant, fusing sports and sustainability, Carbon natural concept and carbon emission savings, Solar powered production process, Water is amassed from rainwater "harvest", Any water used is recycled and Daylight Manufacturing.

CYCLING

CY032005

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Branded XRD padding for pain free use
- Synthetic palm offers excellent grip
- Adjustable wrist closure
- Grippy palm for full control
- Comfortable, wicking and supportive

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ● ●

CY032007

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Light palm padding
- Synthetic palm offers excellent grip
- Adjustable wrist closure

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ● ●

CY032008

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Comfortable GEL padding for pain free use
- Synthetic palm offers excellent grip
- Adjustable wrist closure
- Grippy palm for full control

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ● ●

CY032011

FEATURES

- Breathable polyester mesh fabric on moisture management
- Padding for longer use
- Synthetic palm offers excellent grip with silicone print
- Adjustable wrist closure
- Terry towel for sweat absorbent

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ● ●

CY032012

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Comfortable padding for pain free use
- Terry towel for sweat-absorbent
- Adjustable wrist closure
- Grippy palm for full control

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ● ●

CY032013

FEATURES

- Customized back-of-hand designs for branding
- Breathable polyester fabric for moisture management
- Padding for longer use
- Synthetic palm offers excellent grip
- Adjustable wrist closure
- Terry towel for sweat absorbent

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ● ●

CY032014

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Light foam padding for comfort
- Adjustable wrist closure
- Grippy palm for full control

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ● ●

CY032015

FEATURES

- Breathable polyester fabric for moisture management
- Padding for longer use
- Synthetic palm offers excellent grip with silicone print
- Adjustable wrist closure
- Terry towel for sweat absorbent

Available Sizes : S, M, L, XL, XXL

MOUNTAIN BIKING

MB008002

FEATURES

- Ergonomic design for a natural fit
- Full finger coverage
- Light-weight and breathable fabric
- Comfortable padding for pain free use
- Synthetic palm offers excellent grip
- Adjustable wrist closure
- Grippy palm for full control

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ●

MB008003

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Comfortable padding for pain free use
- Synthetic palm offers excellent grip
- Adjustable wrist closure
- Grippy palm for full control
- Terry towel for sweat-absorbent
- Full finger coverage

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ●

MB008004

FEATURES

- Padding for longer use
- Synthetic palm and silicone printing offers excellent grip
- Full finger hand protection with heavy lining
- Ability to customize on BOH Print and straps
- Promotes sustainability
- Terry towel for sweat-absorbent

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ●

MB008005

FEATURES

- Full finger coverage
- Adjustable wrist closure with customized branding
- Light-weight and breathable fabric
- Comfortable padding for pain free use
- Synthetic palm offers excellent grip
- Durability and better grip

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ○

MB008006

FEATURES

- Ergonomic design for a natural fit feel and comfort
- Padding for longer use and pain free ride
- Synthetic palm offers excellent grip
- Adjustable wrist closure
- Grippy palm for full control
- Full finger hand protection with heavy lining

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ● ○

GOLF

GL006001

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Soft Ritter patterned fabric for excellent grip
- RPET Fabric for comfort and breathability
- Velcro closure for reliable and secure grip

Available Sizes : S, M, L, XL, XXL

Colours available – ● ●

GL006002

FEATURES

- Clarino Suede fabric for extreme grip
- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Velcro closure for reliable and secure grip

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ●

GL006003

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- Soft leather palm patches offer extreme grip
- Velcro closure for reliable and secure grip

Available Sizes : S, M, L, XL, XXL

Colours available – ● ●

GL006004

FEATURES

- Made out of agile synthetic fabric
- Lighter on hand for comfort
- Perforations for ventilation, to keep hands cool and dry
- High functionality and durability
- Velcro closure for reliable and secure grip

Available Sizes : S, M, L, XL, XXL

Colours available – ● ●

GL006005

FEATURES

- Made out of synthetic PU fabric
- Lighter on hand for comfort
- PU material robust yet flexible
- Palm made with multi fabric for better performance
- Velcro closure for reliable and secure grip

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ●

BASEBALL BATTING

BB237001

FEATURES

- Ergonomic design for a natural fit
- Light-weight and breathable fabric
- R-PET lycra fabric for moisture management and flexibility
- Synthetic palm offers excellent grip
- Adjustable wrist closure

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ●

BB237002

FEATURES

- Ergonomic design with curved fingers
- Attractive customized silicone print for branding
- Breathable Rpet fabric for moisture management
- Digital goat skin palm material for excellent grip
- Adjustable wrist closure
- R-PET lycra fabric for moisture management and flexibility

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ●

AMERICAN FOOTBALL

AF201002

FEATURES

- R-PET material used on both palm and back of palm
- Excellent grip with D- Tack allows greater catching surface
- Adds comfort with light-weight moisture wicking R- PET construction
- High dexterity and Snug fit
- Adjustable cuffs for a custom fit
- Performs on all weather conditions

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ○

AF201003

FEATURES

- R-PET material used back of palm
- Excellent grip with D- Tack allows greater catching surface
- Adds comfort with light-weight moisture wicking R- PET construction
- High dexterity and Snug fit
- Adjustable cuffs for a custom fit
- Performs on all weather conditions
- Kuraray fabric on palm with D- Tack

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ○

EQUESTRIAN

EQ033003

FEATURES

- Made out of agile synthetic PU fabric
- Lighter on hand for comfort and tactility on reins
- PU material robust yet comfortable flexibility
- High functionality and durability
- Slip on cuff for easy wearing and removal
- Adjustable wrist closure with branding

Available Sizes : S, M, L, XL, XXL

Colours available – ●

EQ033004

FEATURES

- Made out of agile synthetic PU fabric
- Lighter on hand for comfort and tactility on reins
- R-PET back of hand breathable and moisture wicking properties
- PU material robust yet comfortable flexibility
- High functionality and durability
- Slip on cuff for easy wearing and removal

Available Sizes : S, M, L, XL, XXL

Colours available – ● ○

EQ033007

FEATURES

- Breathable fabric on BOH for longer use keeping hands cool
- Re-enforced area on picky finger and index area for holding the reins
- Lighter on hand for comfort and tactility on reins
- Printed palm for better grip
- R-PET back of hand breathable and moisture wicking properties
- Microfiber material robust yet comfortable flexibility
- High functionality and durability
- Adjustable wrist closure with branding

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ○

EQ033008

FEATURES

- Breathable BOH glove for cool hands
- Ultra lighter on hand for comfort and tactility on reins
- Extra protection over the picky and index fingers for extending glove life
- Silicone dotted palm providing a good grasp
- Adjustable wrist closure for a snug fit

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ●

WINTER SPORTS

WS135001

FEATURES

- Ergonomic pre-curved glove enables a natural curvature of the hand
- Superior warmth and breathability for extreme cold environments offers superior grip in cold environments
- Dual gauntlet / knitted wrist cuff with the option of using as a gauntlet or standard knit wrist
- Extreme wear with double layered inner lining
- Water proof membrane

Available Sizes : S, M, L, XL, XXL

Colours available – ●

WS135002

FEATURES

- Dual gauntlet/ knitted wrist cuff with the option of using as a gauntlet or standard knit wrist
- Ergonomic pre-curved glove enables a natural curvature of the hand
- Greater flexibility with reduced wearer fatigue
- Durable fabric palm with increased dexterity and durability
- Polar fleece lining traps air for increased warmth
- Water proof membrane

Available Sizes : S, M, L, XL, XXL

Colours available – ●

WS135003

FEATURES

- With inner insulation glove traps more air offer better warmth without extra bulk
- Greater flexibility with Taslon material reducing hand fatigue
- Greater flexibility and durability with goat leather palm
- Elasticated cuff for snug fit
- Dual stitching of extra-long cuffs provides strength
- Water proof membrane

Available Sizes : S, M, L, XL, XXL

Colours available – ●

WS135004

FEATURES

- Stands well in cold weather with insulation
- Suited for wet environments with waterproof membrane
- Fingertips have a high level of sensitivity
- Superior quality leather ensures durability
- Ergonomically designed for improved dexterity

Available Sizes : S, M, L, XL, XXL

Colours available – ● ● ● ● ●

**RUNNING
FUNCTIONAL**

FN034205

Wool Rpet touchscreen Liner

FEATURES

- Ergonomic natural fit and breathable
- An Eco friendly option
- Finger tips with copper for touch screen compatibility
- Organic wool composition for soft and cold resistance
- Full finger hand protection with heavy lining
- Has moisture wicking properties

Available Sizes : S, M, L, XL, XXL

Colours available – ● ●

FN034206

Marl Yarn Rpet liner

FEATURES

- Ergonomic design for a natural fit and comfort
- Ideal for cold resistance applications
- Full finger coverage
- Light-weight and breathable
- Fancy yarn with different colour textures

Available Sizes : S, M, L, XL, XXL

Colours available – ● ●

FN034207

Silk Rpet liner

FEATURES

- Ergonomic natural fit and breathable
- An Eco friendly option
- Organic silk composition for soft hand feel
- Has moisture wicking properties
- Light-weight

Available Sizes : S, M, L, XL, XXL

Colours available – ●

FN034208

Cashmere Rpet Lycra liner

FEATURES

- Ergonomic natural fit and breathable
- An Eco friendly option
- Cashmere wool composition for soft and cold resistance
- Full finger hand protection
- Has moisture wicking propertie

Available Sizes : S, M, L, XL, XXL

Colours available – ●

FN034209

Acrylic Rpet Brushed liner

FEATURES

- Best for cold resistance applications
- Light-weight and breathable with full finger coverage
- Snug fit on the hand
- Brushed liner for soft hand feel
- Plaited construction wicks moisture
- An Eco friendly option
- Ergonomic design for a natural fit

Available Sizes : S, M, L, XL, XXL

Colours available – ●

Wool Silk Rpet Brushed liner

FEATUR

- Best for cold resistance applications
- Light-weight and breathable with full finger coverage
- An Eco friendly option
- Snug fit on the hand
- Brushed liner for soft hand feel
- Ergonomic design for a natural fit

Available Sizes : S, M, L, XL, XXL

Colours available – ●

FN034211

Marl Acrylic multi-colour liner

FEATURE

- Soft on the hand
- MULTIPURPOSE – Keeps hands warm and works as a shell glove
- Breathable, muti colored and malleable for dexterity
- Provides cold protection
- Touch sensitivity

Available Sizes : S, M, L, XL, XXL

Colours available – ● ●

FN034212

Acrylic Nylon liner

FEATURES

- Best for cold resistance applications
- Super soft on the hand
- Multi use – it can be a inner liner and glove
- Light on the hand less fatigue
- Less hands fatigue due to light-weight construction

Available Sizes : S, M, L, XL, XXL

Colours available – ●

MOTOR BIKE

MC2010001

FEATURES

- Abrasive and durable cowhide leather on palm and back of hand
- TPU knuckle and finger protection keeping hands protected
- Pre-Curved ride-friendly ergonomic design
- Leather Secure hook-and-loop wrist closure
- Premium quality synthetic suede palm and landing reinforcement for grip, control, and durability

Available Sizes : S, M, L, XL

Colours available – ●

MC2010002

FEATURES

- Excellent abrasion resistance and heat resistance with cow leather on palm and back of hand
- Soft and light hand feel with back of hand fabric
- EVA rubber padding at palm and back of hand for higher protection and durability
- Wiper at left and index finger
- Taslan fabric on fourchette, speeds quick-drying, wicking moisture away from the body quickly and efficiently
- Leather secure hook-and-loop wrist closure

Available Sizes : S, M, L, XL

Colours available – ●

MC2010003

FEATURES

- Use of Taslan polyester fabric, which is a modern hi-tech woven fabric.
- EVA rubber padding at palm and back of hand for higher protection
- The high filament Taslan fabric speeds quick-drying, wicking moisture away from the body quickly and efficiently
- Wiper at left and index finger
- The knuckle protection with Taslan fabric lamination to add more strength
- Excellent abrasion resistance and heat resistance with cow leather on palm
- Extended cuff for greater coverage for security and ease of use

Available Sizes : S, M, L, XL

Colours available – ●

MC2010004

FEATURES

- Touch-screen compatible on thumb and index finger
- TPU knuckle and finger protection keeping hands protected
- Leather secure hook-and-loop wrist closure
- Perforated leather with EVA rubber padding at the palm for superior airflow and breathability
- Excellent abrasion resistance and heat resistance with cow leather on the palm

Available Sizes : S, M, L, XL

WEIGHT LIFTING

WL209001

FEATURES

- Robust BOH material design for an intensive training
- Pig leather for durability, superior grip and soft nature
- Two way spandex material for greater stretch and hand feel
- Ergonomic finger design for a more natural hand fit
- Easy removal with pullers and firm closure with a sturdy velcro strap
- Half finger length for a natural feel and increased contact with the lifting surface

Available Sizes : S, M, L, XL, XXL

Colours available – ●

WL209002

FEATURES

- Long and adjustable wrist wrap for optimal stability for the wrist during training
- Pig leather for durability, superior grip and soft nature
- Two way spandex material for greater stretch and hand feel
- Ergonomic finger design for a more natural hand fit
- Half finger length for a natural feel and increased contact with the lifting surface

Available Sizes : S, M, L, XL, XXL

Colours available – ●

WL209003

FEATURES

- Ventilated option maximizes airflow to the hands
- Pig leather for durability, superior grip and soft nature
- Two way spandex material for greater stretch and hand feel
- Ergonomic finger design for a more natural hand fit
- Half finger length for a natural feel and increased contact with the lifting surface

Available Sizes : S, M, L, XL, XXL

Colours available – ●

MECHANICS GLOVES

MecPro Magnet

FEATURES

- Specially designed Microfiberpalm patch with
- EVA padding to absorb vibrations and impacts
- Impact hazard and smash protection
- A magnet is placed on the back of the palm under a microfiber patch
- Contact heat Level 1
- Recycled PET Polyester Fabric

MecPro Rig

FEATURES

- HPPE High-cutresistantlevel E fabric covered with synthetic microfiber fabric
- Impact hazard and smash protection
- Silicone print provides an unparalleled grip and thermal resistance
- Contact heat Level 1
- Ergonomically designed for improved dexterity
- Recycled PET Polyester Fabric

MecPro Lite

FEATURES

- Specially designed Microfibrepalm patch with
- EVA padding to absorb vibrations and impacts
- Microfibre fingertips for improved sensitivity
- Neoprene knuckle padding gives the wearer added protection
- Contact heat Level 1
- Ergonomically designed for improved dexterity
- Recycled PET Polyester Fabric

MecPro Aqua

FEATURES

- Synthetic High-cutresistantlevel D fabric covered with microfibre fabric
- Impact hazard and smash protection
- The Hipora lining layer provides wind and water proofing without compromising on breathability
- A silicon print grip on microfibre to give the glove a suitable grip
- Ergonomically designed for improved dexterity
- Recycled PET Polyester Fabric
